### **Michelle Ambrozaitis Announces Candidacy for 55th Judicial Circuit Court**

March 11, 2024 - Today, Michelle Ambrozaitis officially announced her candidacy for a seat on the 55th Judicial Circuit Court.

With over 15 years of experience as the Clare County Prosecuting Attorney, and over 22 years as a licensed attorney, Ambrozaitis has a comprehensive understanding of the legal system. “My years on the other side of the bench both in private practice and in prosecution have provided me with invaluable insights into both the strengths and weaknesses of our court system,” said Ambrozaitis.

Ambrozaitis is committed to enhancing the functionality and accessibility of the 55th Circuit Court. She plans to improve court scheduling and the use of technology, ensuring that the court is accessible to all.

A key component of Ambrozaitis’ campaign is her focus on the better use of community programs and availability of specialty courts. “It is necessary to hold criminal offenders accountable for their actions and provide justice for victims. But I also believe that a large part of that process is to help individuals become better versions of themselves, breaking the cycle of crime and incarceration,” she stated.

Ambrozaitis aims to bring a new perspective to the bench, promising to uphold constitutional commands with compassion and neutrality. “I am eager to expand my role in our community and effectuate meaningful change,” she expressed.

Michelle Ambrozaitis seeks the support of the Clare and Gladwin communities in her journey to the 55th Circuit Court bench, promising dedication and a commitment to an accessible, fair, and unbiased court for all.
